Analyst Update

Data as of March 31, 2026

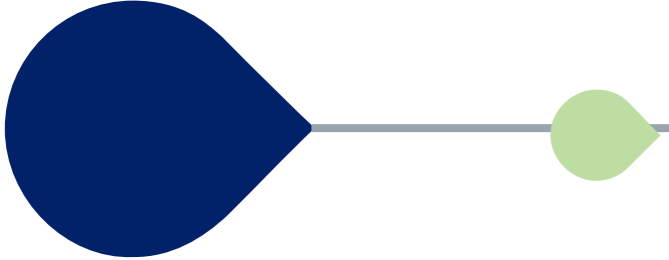

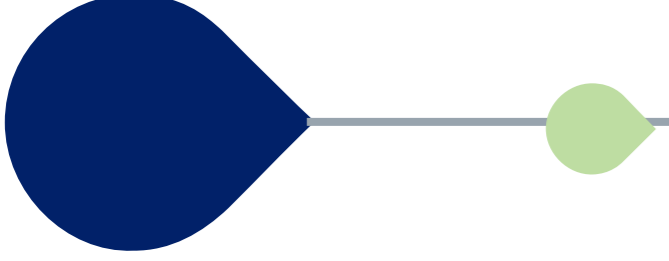

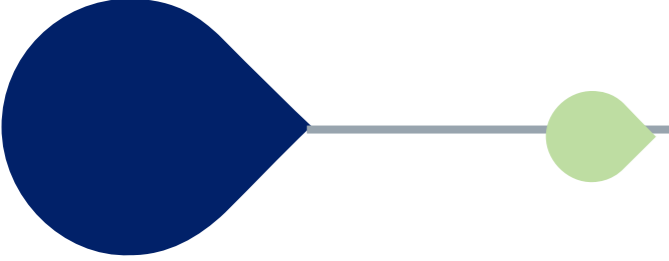

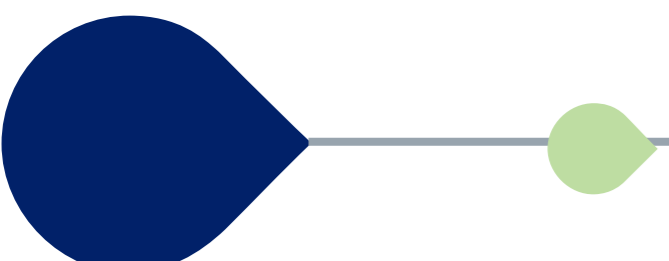

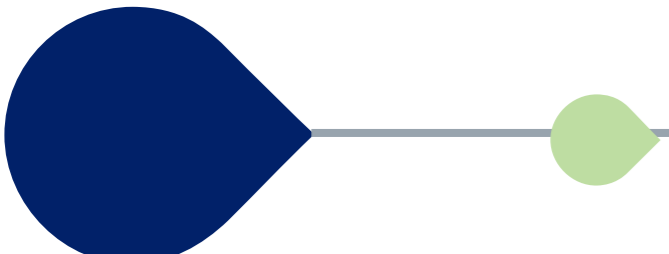

Forward-looking information

This presentation is provided as of the date on the cover and contains forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended. Statements that do not relate strictly to historical or current facts are forward-looking, including those related to product performance, the potential for business growth, stability, and sustainability, and the ability to complete and successfully integrate complementary acquisitions. Forward-looking statements, and Federated Hermes, Inc.'s ("Federated Hermes") level of business activity and financial results, are inherently subject to significant business, market, economic, competitive, regulatory and other risks and uncertainties, many of which are difficult to predict and beyond Federated Hermes' control. Other risks and uncertainties include the ability of Federated Hermes to predict the level of fee waivers and expenses in the future, predict whether performance fees or carried interest will be earned and retained, the ability of Federated Hermes to sustain product demand, the timing and level of product sales and redemptions, market appreciation or depreciation, revenues, and asset levels, flows and mix, which could vary significantly depending on various factors, such as market conditions, investment performance and investor behavior. Other risks and uncertainties also include the risk factors discussed in Federated Hermes' annual and quarterly reports as filed with the Securities and Exchange Commission. For a discussion of such risk factors, see Item 1A – Risk Factors in Federated Hermes' Annual Report on Form 10-K and other reports on file with the Securities and Exchange Commission. As a result, no assurance can be given as to future results, levels of activity, performance or achievements, and neither Federated Hermes nor any other person assumes responsibility for the accuracy and completeness of such statements in the future. Federated Hermes does not undertake any obligation to update the statements in this presentation.

This presentation also includes a non-GAAP financial measure, Revenue less Distribution Expense. This non-GAAP measure is not an alternative to GAAP measures and should not be considered in isolation or as an alternative for analysis of Federated Hermes' results as reported under GAAP. For additional disclosures regarding this non-GAAP measure, including definition of the term and reconciliations to the most directly comparable GAAP measure, please refer to slide 28 below.

Highlights

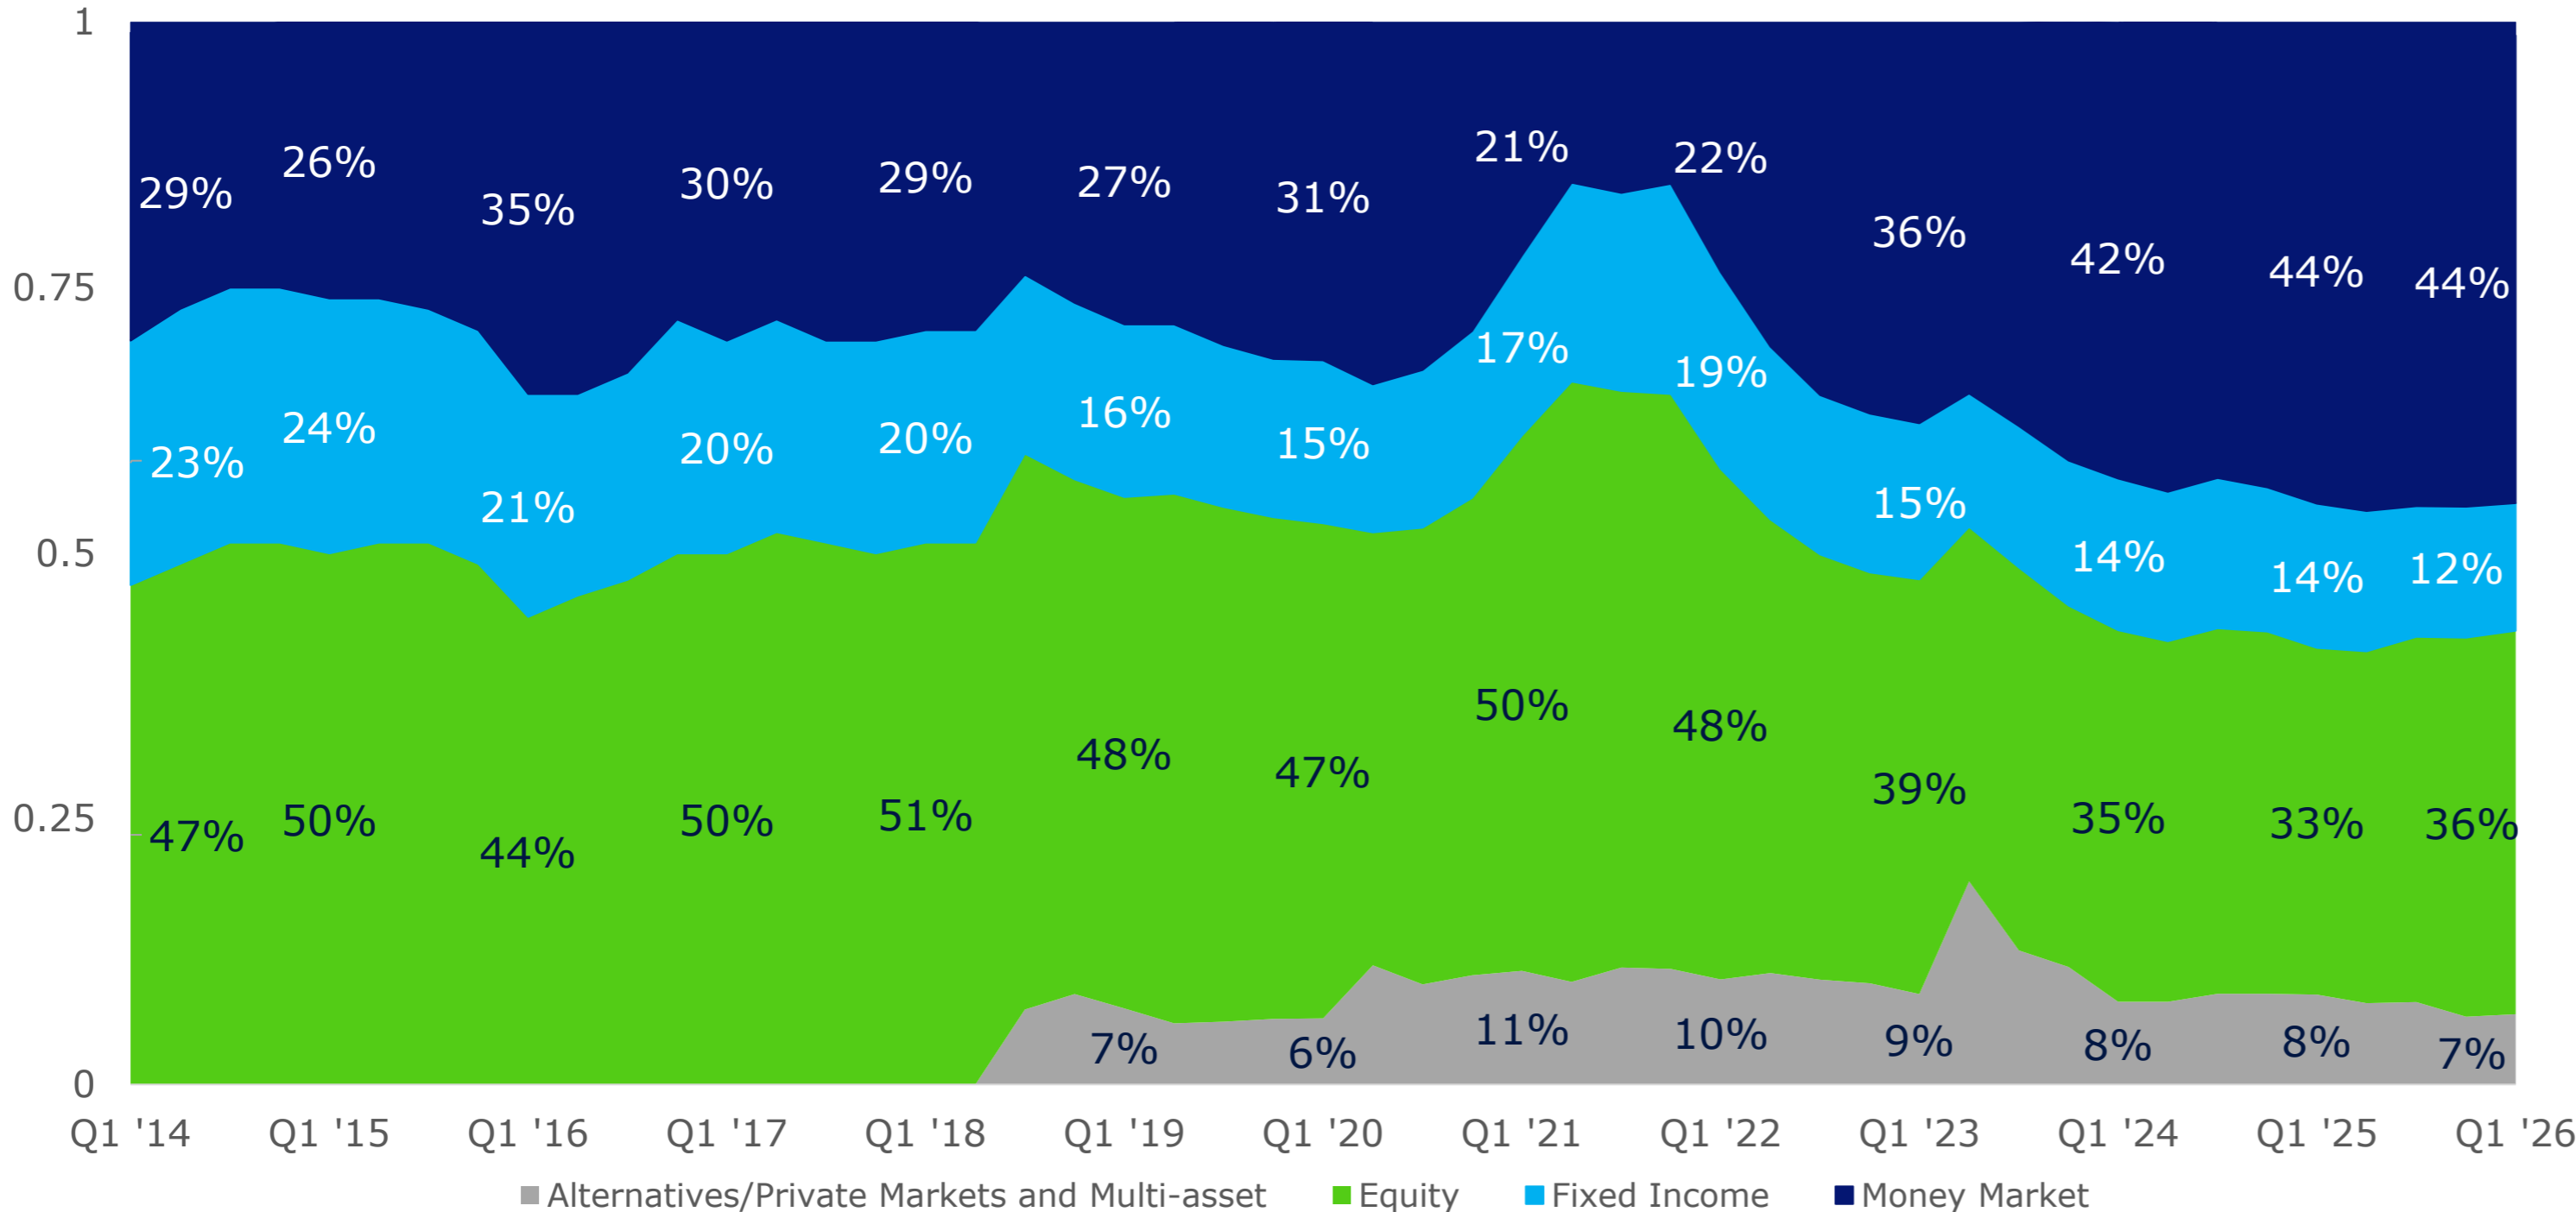

*Unvested share-based awards that receive non-forfeitable dividend rights are deemed participating securities and are required to be considered in the computation of basic earnings per share under the "two-class method." As such, total net income of \$4.4 million available to unvested restricted Federated shareholders for the quarterly period ended March 31, 2026 was excluded from the computation of earnings per share.
