## Letter of Instruction

The **USA PATRIOT Act** requires the Federated Hermes Funds to obtain, verify, and record information that identifies each person who opens an account. Failure to provide required information may result in processing delays. Additional documentation may be requested. If we are unable to verify this information, your account may be closed and you will be subject to all applicable costs.

This letter should not be used to change ownership or redeem shares of a non-retirement account due to the death of the account owner, unless completing a full liquidation.

For distribution of an **IRA** due to death, **a completed IRS Form W-4R is required if requesting a withholding amount that is different than the default rate of 10%**, including if you wish to have nothing withheld. Please contact Client Services for information concerning the appropriate forms. If redeeming due to death, additional information may be required.

Please complete all applicable fields using blue or black ink, and print clearly in capital letters.
