2. Terms of Escrow

Subject to the conditions below, each purchase of fund shares will be made at the public offering price applicable to a single transaction of the dollar amount indicated in Section 1, as described in the Fund's prospectus.

I am not committed to purchase additional shares. However, if my purchases within 13 months from the date of this letter do not aggregate to the sum specified above, I will pay the increased amount of sales charge prescribed in the Terms of Escrow.

TERMS OF ESCROW

1. Of the initial purchase (and subsequent purchases if necessary) up to 5.5% of the dollar amount specified in this LOI shall be held in escrow by the Fund or its designated agent in the form of shares (computed to the nearest full share at the public offering price applicable). For example: if the amount specified under this LOI is \$100,000.00 and the public offering price is \$10.00 a share, 550 shares (\$5,500.00 value) would be held in escrow.
2. If the total purchases applicable to this LOI equal or exceed the dollar amount indicated above, the Fund or its designated agent will release the escrowed shares to my account.
3. If the total purchases applicable to this LOI, after 13 months, are less than the dollar amount indicated above, the Fund or its designated agent will redeem an appropriate number of escrowed shares to pay the sales charges that were not applied to the purchases made.

3. Acknowledgment and Signature Certification

I understand that shares equal to **up to 5.5%** of the dollar amount indicated above will be held in escrow until fulfillment or the end of the 13-month period, whichever comes first. These shares will be held by the Fund or its designated agent and will be subject to the Terms of Escrow.

I must specifically refer to this LOI upon placing any future purchases that are to be included under this agreement.
