6. Escheatment

6a. Lost Shareholder

It is important that you notify the Fund of any changes to your contact information, including both mail and email addresses. If the Fund's communications to you are returned as undeliverable, the Fund will try to reestablish contact with you. If those efforts fail and you are reasonably deemed to be a "lost shareholder," the Fund may elect to suspend account activity, program elections (including, systematic investment, withdrawal or exchange elections) and mailings. In addition, most states require entities like the Fund to turn over assets of lost shareholders following a period of time. Accordingly, the assets in your account may be transferred to the appropriate state if no activity or communication occurs in your account within the time period specified by state law. Once assets are "escheated" to a State, a shareholder will not be able to access their assets through the Fund. To avoid these kinds of problems, we urge you to keep your contact information with the Fund accurate at all times.

6b. Designated Representative

Residents of the state of Texas may opt to designate a representative to receive abandoned or unclaimed property (escheatment) notifications by completing the "Unclaimed Property Designation of Representative" form (the "Form"), which can be found on Texas' Comptroller's website. While the designated representative does not have any rights to claim or access the Shareholder's account or assets, the escheatment period will cease if the representative communicates knowledge of the Shareholder's location and confirms that the Shareholder has not abandoned his or her property. The completed Form **must** be mailed to the Fund (if your Shares are held directly with the Fund) or to your financial intermediary (if your Shares are not held directly with the Fund). If a Texas Shareholder opts to designate a representative to receive escheatment notifications, any escheatment notices will be delivered both to the Shareholder and the designated representative.
